Free

Available

Summary

Video length: 5 minutes or less

See how smoking affects different parts of your body, and what can happen if someone starts smoking too much. There are three videos available, covering:

- **Facts About Smoking.** This video talks about what smoking can do to your body, how much smoking costs and what chemicals are in cigarettes.
- **Tobacco Addiction Story** (available in **English, Walpiri, Pitjantjatjara** and **Arrernte**). This video talks about what smoking does to your brain and how people can become dependent on smoking.
- **Health Effects Mashup.** This video has information on what smoking can do to your health.
